

Bee, Qube & Drum Footstools

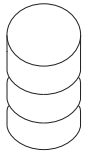

Bee

Our Bee footstool is a fabulously functional accent piece that brings a playful feel to its environment. It's a plush and curvy little number that shows off any upholstery to full effect. Go for a large Bee in a softer colour and complement that with a small second in a statement pattern. The result is sure to pack a characterful punch!

Qube

Our Qube footstool is supremely simple - and that's exactly why it works so well! It's a versatile design with a pared-back form upholstered in the fabric of your choice. You can also select either the small or large size for a perfect fit, or combine both to inject a bit of dynamism into your scheme.

Drum

Our Drum footstool is a lovely little accent piece that delivers a whole lot of functionality in a neat package. The streamlined cylindrical format makes it easily mobile, while a tiered design adds a hit of intrigue. A flat, unadorned top gives Drum added utility as a sofa table in either the small or large size.
