

Henry

Henry

Henry is the sofa that you can't wait to come home to; a seriously soft and comfortable sofa, perfect for nights spent at home with company, or when it's just you. The long, single bench cushion provides plenty of room for the whole family to bundle onto, and the extra squishy back cushion is ideal to settle back and snooze on.

Seen above:

Fabric: Aqua Velvet

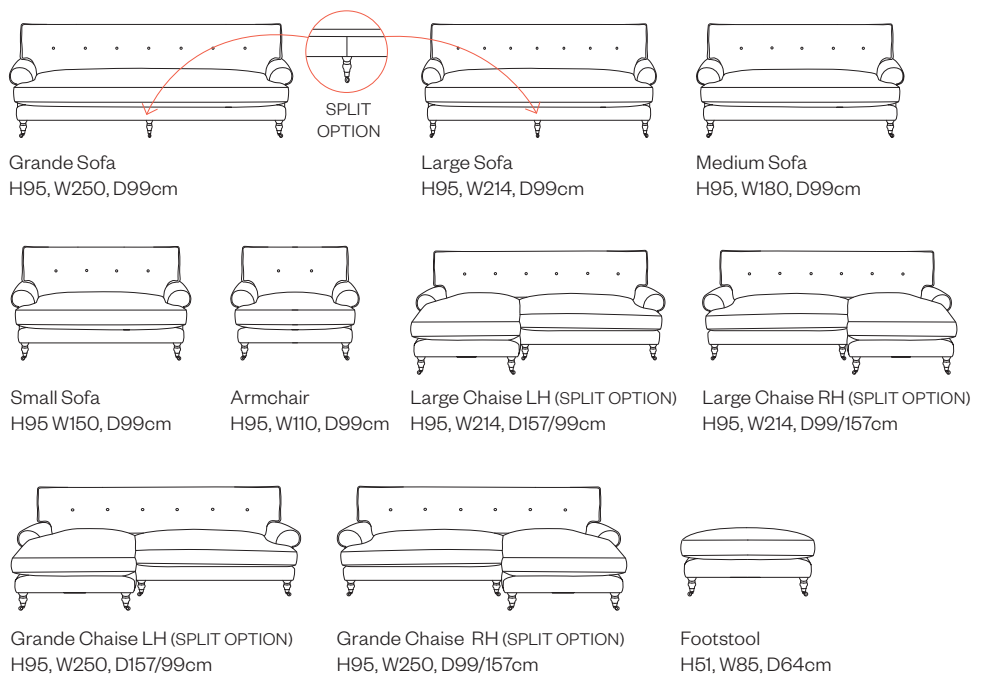

Colour: Celadon

Legs: Chestnut

Please note Frame measurements can change +/- 3cm depending on your chosen fabric. Total height, internal width and seat height/depth measurements can change +/- 5cm depending on cushion fill.
