

# Leon

## Leon

Mid-century styles have reigned since, well... mid-century, and since the heady 1950s-70s they've never really been out of style. As one of our favourite design eras we've added Leon to our collection. With pinch-pulled button detail to the cushions and stylish side bolsters, Leon is best described as being the master of understated, discreet luxury.

**Seen above:**

**Fabric:** Textured Tweed

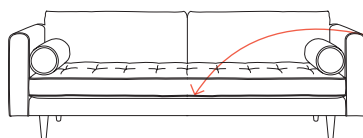

**Colour:** Aegean
