

# Otti Loafer & Footstools

*The little brother to Otto,  
with a shallower depth*

Shown: Large Corner (5 Piece) plus Loafer

## Otti Loafer & Footstools

Our fresh Otti design is a new take on the ever-adaptable Otto. Like its predecessor, Otti is a modular collection which offers you the freedom to style your space to perfectly fit the rhythms of your life. The difference here is that Otti has a shallower depth, which means it takes up a smaller footprint and offers a neater, more compact look.
