## Tailor Concept

A fresh table concept designed for modern living. Tailor plays with mixed materials, combining exposed wood and your choice of upholstery to create a rich, dynamic interplay.

# Tailor Made

Streamlined living is the product of considered designs, tailored to fit the rhythms of your life. Our first ever table concept rises to meet your cup of coffee in the morning and your glass of wine at day's end. The Tailor range includes a mixture of tables and stools which place top-quality timber at centre stage. Explore our array of wood finishes and upholstery options to custom craft a Tailor that's true to you.
